DID YOU KNOW that CCAC's rooftop gardens are home to 8 different species of sedum? These low-growing succulents will not only add color and life to The Rooftop as they grow, but also help manage the stormwater runoff of CCAC's building, and reduce our carbon footprint!

Name a room of CCAC's new building! Enter a once-in-a-lifetime raffle to name the backstage of CCAC's McKillip Theater for 10 years. Entries are just \$100. Visit cliftonculturalarts.org/backstage to enter and learn more.
